Rules Update 12/4/2019

1. EQUIPMENT

Barriers, Goals and WUHA Pucks are not available for use outside of scheduled league nights. Schools using the WUHA equipment outside of scheduled league nights will have 4 points deducted.

All gear used during the league will need to be legal.

Gear required for every game, by all players:

- Mask with two lenses, either tempered glass or plastic
- Snorkel – must be cut in line with the player’s head and flexible
- Mouth guard – either internal or external
- Glove – strongly contrasting to the puck and the stick
- Stick – as per CMAS rules
- Fins – no buckles, no sharp edges.

All senior players must wear the correct coloured cap for every game.

Players who do not have the correct gear will not be permitted to play until they are wearing all of the correct gear. Referees are expected to check all player’s gear before starting the game. Both parents and players are reminded that it is their responsibility to ensure that any gear that they purchase meets the legal requirements to play the game.

There will be limited gear available for use during the pre-season games. Players who borrow the gear must return it at the end of the night in the same condition they got it in. Failure to do so will result in the team being charged to replace the items. Please contact chair@wuha.org.nz. You can order gear through <http://hydrouwh.com/> or <http://uwah.co.nz/>.

2. COACHES/REFEREES

Coaches will need to be arranged for each team. If you are an established team, please approach the coach of your 2018 team to ask for their availability or suggestions for the 2019 season. If you are a new team, contact College Sport Wellington. The WUHA policy is to aim for one coach per school, and then for one coach per team.

Please be aware that coaches are all volunteers and need support from within the school system. Without our volunteer coaches, the sport would not run. Please respect them, and be sure to thank them for their time. Many of our coaches have years of experience playing and coaching. While managers play a very important role, we need to remember that coaches know a lot about the dynamics of the sport and team, and therefore, their decisions should be respected.

- **MANAGERS** - The best performing teams are the best supported teams; every team needs a manager as well as a coach to deal with administrative & transport requirements. The managerial role is a great way to get parents involved – you don’t need to know anything about the sport to be extremely useful! Please do not leave all the work up to one person.
- **REFEREES** - Each Senior team must supply at least two qualified Referee’s for each game that they are allocated to Referee. Refereeing is an important part of participating in the league. Players must have passed the theory component of the Level 1 Referee Course before they may referee any game. Please check with the WUHA Chief Referee if you have any concerns, by e-mailing ref@wuha.org.nz. All junior competition games will have referees provided via

WUHA. Juniors doing referee courses will use this time with support from WUHA to develop their referee ability.

- **LEVEL 1 REFEREES COURSE** - This course is the Level 1 Referee's course that all school students with ONE or more years of playing experience should attend. The course is approximately 10 hours long and costs \$80 (tbc) per student. WUHA subsidises these courses. Schools must provide two level 1 qualified referees during the Schools League and four at Central Zones and Schools Nationals. This year **one** Referees Course will be held, with priority going to players who missed out in 2018. If demand requires a second Referees Course may be arranged.

There will be 2 ref courses held this year.

Course 1 will be held on **TO BE CONFIRMED**

Course 2 will be held on **TO BE CONFIRMED**

Please email ref@wuha.org.nz with a list of players you would like to put on the course. A re-sit course will be available later in the year.

- **COACHES MENTORING** – WUHA is looking at establishing a mentoring system for coaches – **more information will be available shortly. Coaches interested in participating in this course please email coach@wuha.org.nz.**

3. INFORMATION SESSIONS

There will be information sessions for parents, managers and school contacts run on the first two nights of the Competition league. Find out about the year ahead, meet the organisers and get all your questions answered! Everybody is welcome.

- **INTRODUCTION TO THE RULES** - An introduction to the rules course will be held at the beginning of the Pre-season competitions (Friday 22nd March 2019). All junior teams and any new senior players will be required to attend this rules course. This course will cover legal gear, pool rules, an introduction to uwh rules and anything else WUHA deems appropriate to cover. Note that there will be no pre-season games on the 22nd March due to the course being run. More details about the course will be circulated to teams.

4. THE STRIKE SYSTEM

The strike system will work for both individuals (players and coaches) and teams, and is applied in the first instance to any behaviour that brings the game or its member into disrepute. These are additional to penalties that may be imposed in a game (such as sin binning/total dismissal). This system relies on the honesty of players, referees, coaches, managers and parents. If you have seen behaviour you think is inappropriate, please contact CSW as soon as possible after the incident.

WHITE CARD OFFENCES:

- Verbally abusing another player
- Any action which makes the game late to start (such as failing to put in barriers or failing to provide the puck) - White card will be issued to each team involved
- Failing to help with duties - White card will be issued to each team involved
- Late default

YELLOW CARD OFFENCES:

- Failing to Referee (See 8. COMPETITION STRUCTURE & POINTS)
- Players/Teams who gain 2 whites will be automatically given a yellow card, with the associated penalties

RED CARD OFFENCES:

- Striking another Player/Referee
- Deliberate Unsportsmanlike Conduct
- Verbally abusing a Referee/Official

PROCEDURE ASSOCIATED WITH THE STRIKE SYSTEM

- Players/Teams who gain a white card will be put on notice via the “strike list”
- Players/Teams who gain two whites will be moved to a yellow and deducted 4 points – The school will be notified of the indiscretion
- Players/Teams who gain a red card will automatically be stood down for one game – which may be extended by WUHA committee if deemed appropriate (The school will be notified of any such card and sanctions).

APPEALS

- If a team or player receives a white, yellow or red card an appeal must be lodged within 24 hours of receiving written notice.
- Appeals must be sent to the WUHA Chair and CSW.
- A fee of \$100 will be required with the appeal. This can be paid at the next school night unless your appeal is successful. You will be advised of whether you will be required to pay the fee.
- The cash deposit will be refunded if the protest is upheld or it is believed to have merit. If the protest is dismissed the payment will be retained by the Association.
- WUHA will allow the captain, coach or manager of the team lodging the appeal and any other person or team which may be affected by its decision, an opportunity to be heard before it makes a decision.
- Appeal form can be found at the end of the handbook on page 12.

5. Complaints

Refer to the College Sport Wellington By-laws 27 and 28.

6. WUHA Pool Manager

The pool manager is a representative from WUHA who is there to support the duty team, to ensure the competition night runs smoothly. If you have any questions on the night, the pool manager should be approached.

7. GRADES/NUMBERS

The Schools League is broken into 4 grades.

- Junior Girls (under 15 at 1 Jan 2019 – girls only)

8. COMPETITION STRUCTURE & POINTS

The schools underwater hockey season has been divided up into 2 segments, with the aim of providing opportunity for development, then a competition round. This will ensure teams get to play everyone in their grade then conclude the season playing regular hard games leading up to Regional and National competitions.

- -4 Failure to Referee (note 2)
- -4 Using WUHA equipment outside of scheduled league nights
- -8 Abuse of Referee, another player, manager, coach or WUHA volunteer (note 3)
 - **Note 1:** *Late to Refereeing means the allocated referees are not ready to referee when the game is due to start and as a result the game starts late using the allocated referees.*
 - **Note 2:** *Failure to Referee means the allocated referees are not ready to referee when the game is due to start and the game has commenced or about to commence using alternate referees in the absence of the allocated referees.*
 - **Note 3:** *Abuse constitutes any unsportsmanlike conduct exhibited by a player, manager or coach towards a Referee, another player, manager, coach or WUHA volunteer*

Any ruling on the deduction or addition of points by the WUHA Committee shall be final and may not be challenged.

WUHA may introduce changes to the round robin competition depending on the numbers of teams in each grade. More information will be provided on this once all entries have been received.

9. Defaults

Defaults must be emailed or phoned to College Sport and opposition team **by 12 noon on the day of play** or earlier. Defaults after this time will incur a default fee from CSW. If a team defaults, it is still their responsibility to cover any referee duty assigned and any referee duty assigned to their opposition team.

10. TROPHIES, AWARDS & PLACINGS

Medals will be given to the winners of each division.

- **WUHA SHIELDS** - These Trophies will be contested each week and the winner of the contested match will retain the Trophy until the next contested match (which shall be when the trophy holders next play). The Trophies **must** be brought to the pool each week by the team, failing to do so will result in automatic forfeiture of the trophy to the challenging team. These trophies are only available for contest during the regular season. Semi-finals and finals are excluded.

11. U18 INTERZONE TRIALS & MINI-LEAGUE

The U18 Interzone squads will be announced at Centrals Tournament. To be selected into one of the teams, squad players are required to do at least 2 mini-league duties.
