Chair's Report

It was great to return to a year where tournaments were not disrupted by Covid lockdowns.

Mini League is a priority for sustainably growing our UWH player pool

We have noted the drop in UWH players that occurred during 2020-21 - particularly at secondary school level. However we have seen great results in growing our Mini League participation and expanding the participating schools through the dedication of Nicky Burdon. Our mini league is an essential part of our plan to grow UWH in Wellington and create a stronger and larger pool of players to feed in to schools, clubs and representative play. We had much better participation from our U18 players as mini league coaches this year and ask coaches and managers to encourage them to get their sessions in early in the year!

It is no longer sustainable to have one person running the Mini League, so we need to build a team (including some parents and potentially senior school students who could do this as part of Duke of Edinburgh) who can share the load. It is great fun and really rewarding to see these young players develop confidence and start to build their skills. We also need to start planning for using Naenae Pool once it opens in late 2024.

We have started to rebuild our referee numbers, and need to continue this momentum

It has been very satisfying to see our referee courses running again this year, and good support from school coaches and managers to get their players on the courses. Players do need to complete their in water refereeing games to complete their Level 1, so we still need to see support and encouragement to get the completion rate up - it only takes a few Friday nights to get those games in! Our experienced referees will be looking out for referees who have the potential to do the Level 2 training in 2023.

Coaches are the most critical part of developing our players

A big thank you, again, to all our school, club and representative coaches. Building fitness, skills and strategy is what lifts our players from being competitive to having championship potential, and makes playing UWH fun at every level. We will continue to offer our Coach Koha to recognise your contribution. In 2023, we will also continue to think about opportunities to support coaches to develop their players and teams - especially in developing skills at the School Junior level.

Pool time remains a challenge

WRAC continues to have very limited time available, and high demands from other sports makes it very challenging to get enough time for competitions and training (including for NZ representative teams). While we have retained our Tuesday, Thursday and Friday bookings (as well as training bookings that clubs and schools have secured), we will still see a number of exclusions throughout the year, and we have not been able to get any additional full court time. This has severely impacted on social and novice leagues, and we will look to make some time available on Thursdays for these leagues.

Celebrating our successes!

Wellington had some great results throughout the year:

- Gold medals for our men's and women's A teams in the NZ Interzone Championship
- Good turnout of teams and numbers at North Island Club Championship

- 21 teams out of 25 teams competed at Central Zone Secondary School Championship to qualify for nationals with 1st Place for JG Queen Margaret College , SG Samuel Marsden Collegiate School and SO Wellington College A
- Gold medal in the New Zealand Secondary School Championship for Samuel Marsden Collegiate with Silver medals for JG Queen Margaret College & , SO Wellington College and Bronze Medals for JG Wellington Girls College & JO Wellington College.
- Silver medals for our men's and women's A teams in the U18 Championship
- Strong growth in mini participation and Give a Go sessions
- Keeping the WUHA website up to date, including calendar and league timetable

Best wishes for 2023.

Treasurer's Report

As we have continued to improve our record keeping in Xero, we are increasingly able to get a more complete picture of our accounts, and to track non-payment. We understand from UWHNZ that non-payment has been a significant issue for them in recent years, and we have seen the impact on our accounts, where we have run at a deficit in 2022. We are asking all players (and their parents for school-age players) to help us to run the sport as efficiently as possible and pay their bills promptly - your Committee members are all volunteers, and chasing late payers is easily one of the most frustrating and time consuming activities that we would rather not be doing.

Financial Policy

Current authorities:

- Kiwibank: Tristan Reynard(Deputy Chair), Doug Davies (Treasurer), Emma Speight (Secretary)
- IRD: to be confirmed
- Xero: Doug Davies (Treasurer), Emma Speight (Secretary)

Bank Balances @ 1 January 2023

Term Deposit: \$93,242.43 (Interest payment due 28 May 2023)

On-Call: \$5,884.36

Now Account: \$19,264.52 (Note that a number of late invoices from 2022 have since been paid)

Outstanding Payments

At the time of writing we still have 69 outstanding payments from 2022 or earlier, totalling \$9616.15.

2020: \$194.80 (4x U18 players, no longer active in UWH)

2021: \$1,285.73 (12x U18 and Regional players)

2022: \$8,135.62 (53x across multiple leagues/activities)

We will continue to actively seek payment from all remaining debtors. We will work with Clubs, Schools and Representative team management to implement no pay no play rules.

Payment plan options are available for any debtors, and can rapidly resolve these outstanding amounts.

Cash Summary

Wellington Underwater Hockey Association

For the year ended 1 January 2023

Account	2022	2021
Income		
Accounts Receivable	(20.00)	20.00
Clubs League Fees	10,702.34	11,017.38
Competition fees	2,046.15	278.25

WUHA function costs	425.22	0.00
Total Expenses	74,935.85	40,951.17
Surplus (Deficit)	(8,243.28)	7,377.79

Budget for 2022

This year's budget follows a slightly different format from previous years. We have tried to be a little more granular, mirroring our Statement of Accounts to some degree. As can be seen the budget results in a loss if all activities are undertaken. The aim is to seek external grant funding for event items, mini league, and also an element of pool hire costs. In the event this is not available we will either need to utilise reserves or restrict some activities.

			2022 Actual	2023 Budget	
Income					
Membership			\$1,468.26	\$2,300.00	
Adult Leagues					
	Clubs		\$10,702.34	\$13,350.00

Tournaments					
	Blitz		\$0.00	\$7,851.50	
	Budget Expenditure			\$113,230.96	

The team entry fee for Wellington Secondary teams are:

- \$515 per team

Indicative costs for Clubs players are:

- WUHA affiliation only: \$20.00 (adult), \$15 (school students)
- Full year: \$140 per player
- Half year: \$80 per player
- League by league: \$5/night (for the total number of nights in the league)

Social and novice league costs to be confirmed once pool availability is confirmed, but will include WUHA Affiliation

Secretary's Report

It was great to see our leagues largely back up and running in 2022. However, membership in Wellington remains static. Growing membership, and retaining members through transitions to school, tertiary study and work, remains a priority for WUHA. Developing better information about how to attract and retain members will be an ongoing opportunity for the Committee.

Overall WUHA Club membership

The WUHA 2022 membership breakdown by Club is shown below:

	2022		2021		2020		2019	
Club	Total members	Club Nationals	Total members	Club Nationals	Total members	Club Nationals	Total members	Club Nationals
Crox	47	1 x Prem 1 x A Grade 1 x B Grade 1 x C Grade	40	No event held	42	1 x Prem 1 x A Grade 1 x B Grade	39	1 x Prem 2 x B Grade

Total	tbc	12 teams	133		162	12 teams	170	14 teams

Portfolio Reports

Equipment

Great progress has been made in 2022 in recording our equipment and investing in new items, including pucks, representative team caps, banners, WRAC barriers and the refurbishment of the Huia barriers.

Work is ongoing to prepare for the re-opening of Naenae Pool.

Fixed Asset Register

Asset Description	Year of Purchase	Cost of Purchase	Supplier
SIMS Pucks	2022		
WUHA Representative Team Caps (Black, White)	2022

Mini UWH Gloves & Sticks (160)			Hydro UWH Supplies
Mini UWH Mask, Snorkel and Fins (50)			Hydro UWH Supplies
Mini UWH Equipment -Mobile Crates.			

Coaching

In 2022 the first priority was to make sure all schools' teams had coaches, which took longer than ideal, but we did get there in the end. To help attract and encourage schools coaches to stay on, WUHA initiated a plan to pay coaches \$100 per team for coaching for the season.

We are in a similar position this year, with needing coaches as we look to increase the number of teams in the schools league. If you are interested, please get in touch.

The big goal for 2023 is to see a coaches course get up and running to help strengthen the knowledge and ability of our coaches, which will then flow down into schools hockey. Plans have begun and a lot of work is still needed to get the coaches course up and running. If possible we will look to cater for novice coaches as well as those more experienced.

There was good interest in assistance coaches for u18s which shows that there is interest in coaching and development.

WUHA would like to acknowledge the valued contribution of the coaches in 2022.

- Wellington U18 Women's teams: James Keating, Jack Whiterod and Abby Burdon
- Wellington U18 Men's teams: Finn Hollingworth, and Clark Samuel and Tim Alexander
- Wellington Elite Regionals Women's teams: Benson Taylor-Wolf and James Keating
- Wellington Elite Regionals Men's teams: Nick Healy

Refereeing

Refereeing is a vital part of our sport. Wellington Underwater Hockey is looking to grow its referee pool at all levels to enhance the playing of the sport in our local leagues. In addition we need to support members to progress along Underwater Hockey New Zealand's (UWHNZ) Referee pathway from Club to National and ultimately on to International Referee.

In 2022, we had 3 Members (Andrew Harris, Jack Whiterod, Devin Glover) attend the Australian Championships held on the Gold Coast at the beginning of July 2022 with 3 other New Zealand based referees. The feedback on their refereeing performance was exemplary. Well done.

Development

To assist all members with understanding the rules we have a refereeing section on the [Association Website](#) with links to [training videos](#) and the list of [qualified Level 1 referees](#) list.

Secondary Schools Seminar

We continued to run our Wellington Secondary Schools referee briefing at the start of the secondary school league. All players in the secondary schools league must attend. This seminar explains the

basic rules rules pertaining to the playing equipment as well as any specific league and venue requirements.

CMAS Level 1 Referees Course

Wellington Underwater Hockey hosted two Level 1 Referees Courses so that all members have the opportunity to fulfill the requirement to have a minimum of 4 fully certified Level 1 referees for Central Schools or other UWHNZ Tournaments.

Year	# of attendees	# of Theory completions	# of L1 Certified
2022	50	40	8
2021	48	44	27
2019	58	58	27

The theory courses are run alongside a Mini Underwater Hockey League Nights. We had 40 players complete the level 1 theory part by passing the exam but our focus is that members complete the full course and get awarded their L1 referee cap and certificate. A number of them managed to get into the pool enough times to complete the practical requirements and pass the in-water assessment. The [qualified L1 referees](#) were presented with their Referee Caps at various tournaments.

Level 2 Referee

It was great to see Andrew Harris run the Level 2 Course for UWHNZ during the U18 Interzone Championships. There is a need to have more WUHA level 1 referees advance to level 2. Candidates will be identified and recommended to attend the Level 2 Course that is run alongside the U18 Interzone Championship. The CMAS Referee pathway is below.

	LEVEL 1 REFEREE - CLUB REFEREE	LEVEL 2 REFEREE - NATIONAL REFEREE	LEVEL 3 REFEREE - INTERNATIONAL REFEREE	LEVEL 4 REFEREE - MENTOR REFEREE
MAIN ROLE	The Level 1 Referee is the first level of the career and allows for refereeing at Federation and Club level either in assistant (provisional L1) or autonomous role.	The Level 2 Referee is a National Level Referee with competence to assume all the roles in Category B Events and below.	The Level 3 is an International Referee with competence to assume all the roles in Category A Events and below.	The Level 4 is a competent International referee with sufficient experience to assume tournament management roles.
PRIOR REFEREEING EXPERIENCE (logbook)	<ul style="list-style-type: none"> Level 1 Course completion 15 games as provisional Level 1 No other previous experience required Pass In-water assessment 	<ul style="list-style-type: none"> 50 games at Federation Level Events as Water Referee 20 games at Federation Level Events as Chief Referee Approval of NF Chief Referee or delegate 	<ul style="list-style-type: none"> 200 games at Federation Level Events as Water Referee 10 games at Category B Events (Mixture of water, chief, score desk) Approval of NF Chief Referee 	<ul style="list-style-type: none"> Mentor Referee: Technical Delegate / Director (TD) Tournament Referee (TR) <p>Both the TR and TD are appointed by CMAS</p>

Wellington Mini Underwater Hockey League

UWH mini league ran for 8 league nights in 2022 with the average of 12 teams per league. This is a big increase from 2021 which was hit hard with covid. All Mini leagues were held at Huia pool on a Saturday evening over 5 hours.

9 schools entered a team with Raroa intermediate entering 4 teams. 8 other schools were represented in mixed teams. We welcomed back HIBS and later in the year Karori Normal school and Wainui Intermediate played later in the year for the first time.

Mini league ran the following sessions over the year with approx 40 children participating in each. UWH 'give it a go', UWH rules night, UWH skills night.

The CMAS Level 1 Referees course was run on the same day as the Mini league giving the refs an opportunity to practise their new skill at the mini level and coach a team. We were lucky in having a core group of coaches who volunteered to help in 90% of the league. The Central Under 18 squad made up the rest of the helpers doing their required 2 mini leagues a year. We are still needing more coaches and will look at how to increase this in 2023.

Suction cups were replaced on the barriers and the barriers are being replaced ready for the 2023 season. Gloves were purchased to replace ones that were falling apart

The following schools entered a team for one or more leagues in 2022:

- Scots
- Chilton/QMC mixed
- Brooklyn
- EBIS
- Raroa
- Karori Normal School
- Karori West Normal School
- Hutt Intermediate
- HIBS
- Wainui Intermediate

The following schools had individual players

- Northland
- Redwood
- Makara
- Mount Cook
- Marsden
- Hutt Central
- Wellesley

With such a big growth in 2022 we are looking to increase the number of leagues to 16 a year to accommodate the increase in the number of teams predicted in 2023. This will hopefully increase the number of players in the college league. With the increase of leagues we will be needing more coaches from within the UWH community.

With the increase in league UWH mini league is looking for someone to run some of the leagues on Saturday nights, taking the pressure off the Mini co-ordinator. All administration will continue to be done by the mini co-ordinator.

Wellington Secondary Schools League

Highlights

The highlights for this year from within the secondary schools league is the outstanding success of the Samuel Marsden Senior Girls Team in winning both Central Schools as well as the New Zealand Secondary Schools Senior Girls Titles. It was extremely pleasing that College Sport Wellington acknowledged the successful Samuel Marsden Senior Girls Team by awarding both the Team of Year Award and recognising Abbie Burdon with Coach of the Year.

Congratulations to the College Sport Wellington UWH Players of year -Nick Jones (Wellington College) and Georgina Huttley (Wellington Girls' College) for their selections in School Nationals Tournament Teams, NZ Squads as well as Central Interzone Representative teams.

School league Issues

Unfortunately, the league did suffer a few issues

1. Pool closures on the Friday nights affecting the Junior grades
2. Drop in the number of participating teams
3. Drop in the number of players in each team
4. COVID- Number of defaults
5. Random spacing of matches in the Senior grades which was also evident with a number of defaults.

League Results 2022

Placing	JUNIOR GIRLS	JUNIOR OPEN	SENIOR GIRLS	SENIOR OPEN
1	Wellington Girls	Hutt International	Samuel Marsden	Wellington College A
2	Marsden Green	Wellington College 1	Wellington East 1	Hutt International
3	Wellington East	Wellington High 1	Wellington Girls	St Pat's Town
4	Queen Margaret	Onslow	Hutt Valley High School	Wellington High B
5	Wellington High	St Pat's Town Rongotai	Wellington High	Scots College
6	Marsden Blue	Scots College	Wellington East 2	Wellington High A
7		Wellington High 2		Wellington College B
8		Hutt Valley High School		Aotea Blue
9				Wellington College C

Participation

2022 was a mixed year as the league started managing COVID in a "business as usual" manner. The number of schools participating has remained the same during 2020 and 2021 at 13 schools. However, when we comparing the number of teams participating in 2019 (pre-COVID) and 2022, we have a decrease of 26%.

Schools League Participating Numbers:

Year	Junior Girls	Junior Open	Senior Girls	Senior Open	Total
2022	6	5	5	9	25
2021	6	8	6	9	29
2020	5	10	7	8	30
2019	9	8	8	9	34
2018	7	8	7	9	31
2017	8	9	9	8	34

The list of schools currently participating includes (number of teams in brackets):

#	Wellington City	Northern Suburbs / Porirua Basin	Hutt Valley
1	Samuel Marsden (2)	Onslow/ Aotea (combined team)	Hutt International Boys (2)
2	Scots College(2)		Hutt Valley High School (2)
3	Queen Margaret College (2)		
4	St Patricks College (town) (1)		
5	Wellington East Girls College (2)		
6	Wellington College(3)		
7	Wellington Girls College(2)		
8	Wellington High School (5)		

In addition to the participating schools, we had players from Chilton Saint James School and Rongotai College participating in the league.

For Future Growth we need to focus on the Hutt Valley Colleges including St Bernards, Scared Heart, St Oran's, Chilton Saint James School, Naenae, Taita, Upper Hutt and Heretaunga. This is especially important with Naenae Pool opening in 2024 with WUHA's goal to have a schools league night at Naenae in 2025.

Social/Novice League

Unfortunately, the lack of pool space severely limited the running of the social and novice leagues. One league in the last quarter of the year was well-received and players really enjoyed the opportunity for some pool and game time.

In 2023, we will look to make a court available as part of the Thursday night booking, for some social/novice league games.

Novice league - This is a great bridging pathway for mini-league players who show promise and want more pool time. It also provides a playing opportunity for school players who may not have a school team, and a league for new adults who want to give the sport a go.

Social league - A great option for people who are social and don't want to play Thursday club leagues. We have had a number of retired players come out of retirement to play and also parents of school children who have wanted to come and give it a go.

Clubs League

There were 9 Leagues held across the course of the 2022 year with an average of 75 people signed up per League (refer to information below for a summary). This is an increase of 15% from last year's average of 65 people. There are approximately 115-120 players in the WUHA region on the clubs list, meaning there is a sign up rate of approximately 60-65% which is the same as 2021. For the most part the leagues ran smoothly and generally allowed a variety of game types and challenges for player development. There are some items that were problems last year, and still seem to be, which require improvement and assistance from club leaders:

- Barriers / Timing: More players helping with barriers to get games started and packed away on time, and not just the same people every single time.
- Refereeing: Teams showing up to ref their allotted slots, and the playing teams need to show respect to the referees and no talk-back in the middle of games. If there is feedback to be given or item discussed it can wait until outside of game time and done in a respectful progressive manner.
- Signing Up / Commitment: Players need to be clear about the commitment they make when signing up for a league, as when players don't show up it can drastically affect the games and other players enjoyment of the night.

This was the first full year using the current ranking system to best try and accurately rank players to balance grades and teams. Obviously it can have a negative impact on individuals when they are not placed in their desired grade, or when teams struggle to win any games (which did occur in some leagues). For the B grade, teams were tried to be made so that adults were kept together for their enjoyment. This took priority over spreading them across all teams for a better balance, and is what sometimes caused the adult teams to be more advanced than the other teams. As college kids have the schools league as well their attendance at clubs it is about them integrating and playing adults.

This was the first full year away from the facebook page for the use of the WUHA website to display information. This is going to continue into the future and appears to have worked relatively well, open for further feedback about it.

Going into the coming year there is a Clubs plan being formed to try and allow a set structure for the Clubs Leagues to follow.

Leagues Summary for the Year 2022:

- 27th January - 3rd February 2022 - 'Trial Evenings'
- 10th February - 7th April - 'WUHA Cup League 1' - 75 sign ups
- 14th April - 28th April - '4-a-side League' - 60 sign ups
- 5th May - 23rd June - 'WUHA Cup League 2' - 88 sign ups
- 30th June - 'Trial Evening'
- 7th July - 21st July - 'Full Court' - 56 sign ups
- 28th July - 25th August - 'WUHA Cup League 3' - 81 sign ups
- 8th September - 29th September - 'Club Nats League' - 95 sign ups
- 13th October - 27th October - 'No 231 + Novice League' - 70 sign ups
- 1st November - 29th November - 'Men / Women Split League' - 70 sign ups
- 3rd November - 1st December - 'WUHA Cup League 4' - 76 sign ups

Competitions

It was great to see the national tournaments up and running this year! We supported UWHNZ to get live commentary up and running for our big tournaments - and had great feedback from the viewers of the U18 tournament.

Interzone Championship

The first tournament of the year was a closely fought battle between Central and Northern Zones. It was fantastic to see our Women's A team working well together to take the gold for the first time in a while! Final results were:

- Men's Central A – 1st
- Men's Central B – 5th
- Women's Central A – 1st
- Women's Central B – 5th

U18 Interzone Championship

It was great to see our U18 teams working hard in the competition, with the A teams battling hard with the Northern teams, to each get a well-deserved silver medal.

Results:

- Boy's A team: 2nd
- Boy's B team: 6th
- Girl's A team: 2nd
- Girl's B team: 6th

North Island Club Championship

<u>Prem Grade</u>	<u>A grade</u>	<u>B grade</u>	<u>C grade</u>
