RANDOM STATS

They're was the only team to have all players score a goal

Only one player in the league had an average great than 1 goals / game - Sam Mitchell at 1.40

This was least goals scored by Goalies across any of the leagues in the last two years.

B-grade had such bad attendance over weeks 5 and 6 that the nights ended up scratch - extremely poor attendance

Where was the only team not to have any players binned

In the Battle of Phoenix Titan Couples - A Trilogy Series. Carlos and Georgina proved themselves as the strongest duo with 13 goals between them this league! Kaitlynn, Peter, Fergus, and Zoe will need to strike back next league.
