## Bin Minutes

Mitchell Thomas-Beck was the only player to register bin time this league, and it was 5 mins for headshotting his own team mate.

## RANDOM STATS

The curse of Clark has been officially broken! After a 2 year dry spell and 7 cup leagues... he has finally won.

There are notably still 3 other regular top grade players to have never won a Cup League. These are Andre Heller (6 leagues), Ollie Van Rooyen (6 leagues), and Alistair Ford (4 leagues).

This is the first league that none of the top grade goalies have registered a goal.

I didn't think it was possible, but A and B-grade had the worst attendance ever recorded and a lot of games ended up defaulted and scratch.

In the Battle of Phoenix Titan Couples - A Trilogy Series. It was slightly skewed this time with players across grades, but it was a tie between Kaitlynn/Peter and Fergus/Zoe with 2 goals a piece. Carlos and Georgina obliterated it with 33 goals in the A-grade.
